

East Valley High School Senior Project *Proposal Application*

1. Name of applicant _____

Telephone and email _____ / _____

2. You will type three paragraphs that explain your senior project. Each paragraph will include the following information. The first paragraph will include a detail description of your project. The second paragraph will include a reasoning of why this project would be a learning stretch worthy of a senior in high school culminating project. The third paragraph would explain how the 20 hours would be spent.

(Place all three paragraphs in this text box)

3. Connection Coach's: _____ / _____
Signature *Date*

Contract Agreement

I, the undersigned East Valley High School senior, agree to complete a Senior project and meet all of the following guidelines.

- Choose a project that is reflective of life-long learning.
 - reflects possible career path or meaningful life-long hobby
 - shows mature choice that is fitting to previous education
 - challenges skills or knowledge
- Attain information and signature for both parent/guardian and mentor.
- Dedicate at least 20 hours to project.
- Maintain a log, which includes description of work completed on project.
- Meet with mentor at least two times.
- Write an analysis paper that reviews the learning process
- Meet deadlines and acknowledge that a failure to do so will result in a penalty.**
